

We're here to help.

Social enterprise clients need innovative legal counsel provided in a practical and cost-effective manner. Maslon has built a reputation on delivering just that.

We have extensive experience advising businesses focused on distinct market niches, including a vibrant network of social entrepreneur clients; and we are dedicated to helping them achieve their goals. We are actively involved with local and national organizations supporting social enterprise, speak at related conferences, and hold client seminars on topical subjects—all of which enrich our service and ensure that our clients are well-informed on the latest developments.

We recognize the financial realities of social ventures and size our work appropriately. We also leverage opportunities to connect our clients with like-minded professionals who can help them emerge, grow and flourish.

At Maslon, your social venture will get attentive guidance and savvy counsel across a spectrum of issues vital to your success. We're here to help—*when it matters most.*

MASLON
WHEN IT MATTERS MOST.

Your mission matters.

Whether your social venture is still on the drawing board or poised for growth, you need counsel that understands the unique issues involved and knows how to help socially conscious entrepreneurs accomplish their goals. *We get that.*

We offer business and exempt-organization experience with a deep knowledge of the distinct needs and concerns of socially responsible business ventures. Maslon attorneys are nimble and creative, masters at developing solutions, and driven by the goal of helping social enterprise clients succeed. Whether it's using a for-profit structure, a non-profit structure, or a combination of the two—we can help you advance, preserve and protect your mission.

Think of us as experienced advisors who understand your business, care about your vision, and will stand *by you*—not in your way. Like a good partner should, we'll anticipate issues, make your objectives our own and provide strategic insight to help you succeed.

Experience you can trust.

With over fifty years in practice and more than eighty attorneys, Maslon's collective experience translates directly into client success. Our attorneys have a singular mission: to help our clients achieve their most ambitious goals. As a result, we are recognized as a top-tier commercial law firm among the legal and business communities in the following areas of practice:

- Business & Securities
- Estate Planning
- Financial Services
- Intellectual Property
- Labor & Employment
- Litigation
- Real Estate

Collaboration at its best.

We believe that an environment of teamwork and collaboration, both within and across practice areas, enables us to capitalize on our diverse individual strengths to offer clients the most effective strategies and sound advice.

A partnership to rely on.

Giving truly good advice requires more than legal expertise. It requires good judgment, and good judgment requires a thorough understanding of our clients and the larger world in which they operate. At Maslon, we believe that this can result only from building a true partnership with our clients.

Clients need an advisor they can rely on and we are dedicated to earning that trust by providing the highest level of service, always remaining flexible, accessible, engaged, and able to adapt and respond to a broad spectrum of legal needs. Maslon's distinct reputation for providing personalized service to clients has made us the firm of choice for many social ventures.

Clients also appreciate our efficient staffing, leading to cost-effective legal work while maintaining the highest level of quality and service. We pride ourselves on offering strategic, effective ways to avoid problems and achieve goals. Simply said, we listen carefully, think creatively and deliver powerful results.
