

## DWAYNE J. BAZDELL

Paralegal

dwayne.bazdell@maslon.com

Phone: 612.672.8266 | Fax: 612.642.8466

### OVERVIEW

Dwayne Bazdell is a senior paralegal with more than 30 years of litigation experience. He has dealt extensively with product liability litigation involving medical devices. Dwayne has been the lead paralegal in complex national product litigation matters. As part of this role, he has maintained and managed large databases and files, has assisted with overseeing and managing document collections and reviews, and has participated in multiple witness interviews. Dwayne has an in-depth knowledge of e-discovery and technical issues and has successfully provided case support for multiple and coordinated matters. Dwayne has also provided assistance at trial in various jurisdictions around the country, including organizing and preparing trial preparation materials such as witness lists, exhibits, and trial notebooks.

Additionally, Dwayne has extensive experience in construction and construction insurance-related matters.
